## PRESS RELEASE

### TRADITIONAL ELEGANCE AND MODERN AMENITIES WITH BENELLI'S ALL-NEW CLASSIC SCOOTER

**PENANG, 1 DECEMBER 2022** - Turn back the clock in style with the new Benelli Panarea 125 scooter. The Panarea showcases classic aesthetic perfection in a small package brought to the 21<sup>st</sup> century. City streets and country roads serve as canvases and playgrounds on the new Panarea.

Retro is in fashion again, but there's no need to sacrifice technology with Benelli's new classic scooter. The Panarea 125 are modern materials and engineering to keep up with your everyday lifestyle. The compact solid-color body is unmistakably Italian, wrapping around the rider to provide maneuverability in tight cities. The use of LED lights at the front and rear further explains the design of the Panarea, helping in brighter visibility and a longer lifespan. The Benelli Panarea 125 gets off with elegant round side mirrors, keeping the classic look from the factory.

As with vinyl records and watches, the Panarea keeps its speedometer analog. But for the more detail-oriented, a bright multi-function digital display contains all pertinent information. In addition, the Benelli Panarea 125 has an anti-theft magnetic lock system that can reduce the probability of motorcycle theft and increase the safety of the motorcycle.

Pushing it forward is a modern 124cc 4-stroke electronic fuel-injected engine with a peak of 8.44Hp at 7,500rpm of power and 9.2 Nm 6,000rpm of torque. Experiences are kept uninterrupted with a 4.6-liter fuel tank. Silky-smooth rides are provided effortlessly by a CVT automatic transmission, helped by telescopic front and rear suspension. 12-inch wheels are wrapped with 100/90-12 front and 110/90-12 rear tires for that classic meaty look. A 190mm disc brake up front adds flair and safety.

This is the scooter to suit your lifestyle. The Benelli Panarea 125: is all-new, but this is all you need.

The Benelli Panarea 125 is now available at any Mforce Best Shop and SmartShop premium dealers throughout Malaysia with an introductory selling price of RM6,888.00, excluding insurance and road tax. With the purchase of this motorcycle, you can enjoy a manufacturer's warranty of two years or a mileage of 20,000 km (whichever comes first), and online spare parts purchase service by MForce Bike Holdings Sdn. Bhd.
