## **LEONCINO 500 WITH NEW EXOTIC APPEARANCE!**

**PENANG, 3 JULY 2020** - The legendary Leoncino motorcycle is one of the most popular products of the Benelli enthusiasts now back with the latest 3 colors of Matt Red, Matt Green and Matt Grey at market price of RM29,288.00.

The Leoncino 500 comes with a retro classic concept design combined with modern technology making it a versatile motorcycle. The motorcycle was redesigned by Centirostile Benelli in Italy, producing its own element of Leoncino's personality, inspired by its original design more than a century ago. The presence of the Pesaro Lion icon on its front fender highlights the authenticity of pure hearted design while giving the motorcycle an exciting riding experience.

The Leoncino 500 is powered by a 499.6cc four stroke, Inline two-cylinder engine, liquid cooling coupled with a six-speed transmission capable of producing 35kW at 8,500 rpm and 45 Nm of torque.

The Leoncino 500 is a fast-paced motorcycle, equipped with modern technology including headlights and LED headlights, digital meter panels, USD forks and adjustable monoshock rear suspension. The front twin disc of 320 mm with four pistons and the rear single disc of 260 mm with single piston are also equipped with the Anti-Lock Brake System (ABS).

The Leoncino 500 comes with Pirelli Angel 120/70 tires on the front and 160/60 on the rear to provide performance and comfort while riding. Weight is claimed to be 196kg and comes with a 12.7-liter petrol tank.

According to the General Manager of Operations MForce Bike Holdings Sdn.Bhd. Mr Asri Ahmad, Leoncino 500 will end production by mid-July and will be available to all authorized dealers of Benelli nationwide for classic retro motorcycle lovers. This Leoncino comes with a product warranty of 2 years or 20,000 km whichever comes first.
